

PERMIT PARKING CRITERIA AT TCHS

As a public service, the USD 208 Board of Education sets the criteria for the local permit parking lot. The lot is located on the east side of the high school with 15-16 parking spaces on a level approach to the gymnasiums. Patrons who already qualify and have a Kansas Department of Revenue Disabled Parking Placard or Plate do not need to request an additional local parking permit to park in the lot. Disabled and local parking permits will be on the first come first serve basis for parking after 4:00 p.m.

The criterion for an annual district permit requires that a local person have a temporary or permanent disability or hardship that would make a closer parking space beneficial. District permits may be applied for at the USD 208 District Office at 527 Russell Avenue in WaKeeney. The reason for needing a district permit will be kept confidential.
